Dear Mrs. Willgoose:

Thank you for your letter of the 20th telling me to order the 8 vols. of Tipping for the Founders Room. This is being done, as the enclosed copy of letter will show you.

Will you let me know when the books arrive and if they are in good condition.

You are more fortunate than we here, as we can't yet say that "spring is here". Today we have had a few snow flurries and much much rain! I leave tomorrow morning for a week's vacation and do hope the sun will shine at least a part of the time.

Yours ever sincerely,

Isabella M. Stover
