Dear Mrs. Stover:

It was nice to hear from you this morning.

Like you, book-lists disappear with us and they come to light later; however, Miss Sweeney is making an up-to-date list and will send it to you in a day or so.

I know Mrs. Bliss would like to have a copy of Wilfrid Blunt's The Art of Botanical Illustration also a book Lillies of the World, so I am sure it will be all right for you to order them for Dumbarton Oaks.

Hope Mrs. Farr nd is enjoying a little holiday in Canada.

You will be busy now as the season is nearing its close, and there is always much to do before the ~~fall~~ Fall in the garden and in the home. In fact there is always much to do no matter what the season is.

Kindest thoughts from

Yours very sincerely
