Attention I. M. Stover, Secretary

Dear Miss Stover:

From the list of Hybrid Tea roses you submit for quotation and delivery in Washington, D. C. in Spring we regret very much we can supply only the following varieties:

|                             |           |
|-----------------------------|-----------|
| 30 Betty Uprichard          | 1.25 each |
| 4 Kaiserin Auguste Viktoria | 1.25 "    |
| 12 Killarney White          | 1.25 "    |

Most of the other varieties we do not grow or offer nor do we know a reliable source of supply for them. It is possible the Wayside Gardens, Mentor, Ohio will be able to supply you with the 18 Douglas McArthur.

Very truly yours,

BOBBINK & ATKINS
