

Sites of monasteries for which typika (☩) survive are indicated by the abbreviated references used for the documents in this volume. A question mark (?) indicates an approximate location. *Athanasios I, Constantine IX, Manuel II, and Tzimiskes* were written for all the monasteries of Mount Athos.

Sites of monasteries for which typika (✚) survive are indicated by the abbreviated references used for the documents in this volume. A question mark (?) indicates an approximate location. The locations are unknown for *Anargyroi* (Sts. Kosmas and Damian), *Attaleiates* (Christ *Panoiktirmon*), and *Charsianeites* (Mother of God *Nea Peribleptos*).
