

Schedule of coins and seals seminars, July, 2009

All seminars will take place in the Conference Room (008), located in the basement of the main building, between the Coin Room and the Seals Room. The participants will have badge access to this area, and will be able to reach the conference room which Dr Morrisson or Nesbitt will open for them, since the access to the conference room necessitates the combined use of an electronic badge and a key.
