

# Landscapes of Civil Rights in the National Capital

Spring 2022 Colloquium | Friday, February 25, 2022

## BIBLIOGRAPHY

### National Park Service Resources on Landscapes of Civil Rights

#### **Civil Rights in America**

To live freely and participate in society is a right many take for granted. Achieving and maintaining those civil rights have been a struggle for different groups throughout U.S. history. Civil rights mean more than the protests of the 1950s and 1960s and reach beyond racial and ethnic groups. Today, the struggle has gone from an issue of racial equality to equality for all and new voices are engaging in the discussion, helping to define who we are as a people and a nation.
