Mrs. Isabelle M. Stover  
Reef Point, Bar Harbor, Maine

Dear Mrs. Stover:

I can picture you in my mind this past week trying to pick up the scattered bits after the departure of Mrs. Farrand for California. I am sure you must be over your ears in memoranda and things to be done.

Mrs. Bliss was in Cambridge last week and said she would try to see Mrs. Farrand at the Ritz on either Saturday or Sunday, but I haven't seen Mrs. B. since her ret so don't know whether the meeting was effected or not.

The following books have been received and are unpacked and listed as follows:---

From K. Gregory - What Happens in my Garden - Wilder  
The Clematis as Garden Flower Moore  
Jackma  
Children and Gardens - G. Jekyll  
The Warley Garden - Ellen Willmott  
The London Pleasure Gardens of the 17th  
century by Warwick Wroth  
Virgin's Bower - W. Robinson

From F. W. Staack - Flora and Silva - 3 large volumes -  
by W. Robinson  
Virgin's Bower by W. Robinson  
Ferrarri of Florum Culturae

You will note that we have two copies of the Virgin's Bower.

I am adding these to my list but I find myself as yet unable to follow Miss Shillaber's instructions on collating - hope master it this winter or bust something.

Yours sincerely,
