Dear Miss Sweeney:

As you no doubt know, Mrs. Bliss has just spent two days here and as you also may imagine they have been full of interest and it would seem as though she had enjoyed what we had here to show her. Needless to say it was an immense pleasure to see her and to see her looking so well and her mind as active and as unchanged as her lovely figure. She would like to have you plan to come here for a few days, and this is the invitation I have been longing to send you. Do you suppose there is any time in your holiday or after it that you could give us a few days and if so when would they be? Let me know how things look to you as we all hope to see you here and to fit in our plans with yours as nearly as may be. With best regards from all of us, I am,

Yours most sincerely,

*Beatrix Farrand*
