THE RITZ-CARLTON  
BOSTON

ASSOCIATED WITH  
THE RITZ-CARLTON...NEW YORK

Dear Miss Sweeney,

It is too bad that I  
could not come to Dumbarton  
this fall as I wanted to see  
you and all my friends there.

You may not have seen  
the little nature articles on the  
editorial page of the New York  
Times which have come out  
in the last two or three months  
there are quite charming.

and would I think would  
give you good ideas.

Would it not be a good  
thing to write to New York  
Times Editorial department  
and ask if you can get  
a set of these little articles  
and if they are to be printed.

What are your plans for  
the winter; what books do  
you need; have you got any  
on the grasses?

Why not start a scrap book  
of the Dumbarton articles with  
the Dumbarton Garden Photographs  
or is someone else doing it?

Tell me a little about your-  
self when you write.

We have had a hard month  
here as Mr Farren's Hospital  
treatments have been trying  
and my gouty right hand  
a bother.

We now hope to get off

to Calif. next week; don't  
you wish you could go also?

Mrs Walter has been  
sympled & don't see how  
I could have got on without  
her care and devotion.

We both send you our  
best.

Yours ever

Beauf Land
