Dear Miss Sweeney:

Your letter of the 24th to Mrs. Stover has come and we are delighted that some of the books are beginning to arrive at Dumbarton. Please keep us informed as to the condition of the books as if any of them are not good copies or are not clean they must be returned. I shall try not to duplicate any of the books ordered and Mrs. Stover will keep a list here of those which are not sent by the various concerns. I don't know when we will get the XXX ones but certainly will try all possible sources.

It is too bad that you are having trouble with mould and if you find any remedy I shall be glad to know of it, particularly for cloth bindings as we have had a little trouble on our books of reference.

Thank you for your news as to Dumbarton and with many good wishes to you, I am,

Yours ever sincerely,

Beatrix Farrand
