Mr. James Bryce
3101 R Street
Washington, D. C.

Dear Mr. Bryce:

Enclosed you will find the original order which Mrs. Farrand suggests should be sent to the Oregon Bulb Farms this year. You will notice that there is a group of Narcissus ordered marked for Mrs. Bliss, in addition to those for Dumbarton Oaks. This order for Mrs. Bliss was with Mr. Thacher's hearty agreement. If this order meets with your approval will you kindly send it at once in the enclosed addressed air-mail envelope to Mr. de Graeff as the order is already late in being sent.

Also find enclosed copy of order which went the other day to Mr. Lawler for tulips for next season. If there is anything about this order that should be changed will you kindly let me know at your very earliest convenience so that I may change it at once.

Also find enclosed copy of order which is today going to Davids & Royston Bulb Company for Hyacinths and Pansy Seed.

I trust that these orders will be as you wish them, and that you will let me know of any changes that should be made.

Yours very truly,

BEATRIX FARRAND
