Dear Mr. Thatcher -

With great regret I
return the tempting wish of
Professor Facillon's lectures,
none of which I shall have
the privilege of hearing -

Would you be good enough
to tell Monsieur & Madame
Facillon of my sense of
deprivation -

A telephone conversation
with Mr. & Mrs. Bliss brought
forth his reported slow recovery
from a cold, & Mrs. Bliss

st; a sounded very controlled
& tense - how could it be
otherwise -

With best regards &
regrets I am -

Sincerely yours

Beauregard T. Farnsworth
