Mohn S. Thacher, Esq.,  
Executive Officer  
Dumbarton Oaks  
3101 R Street  
Washington, D. C.

Dear Mr. Thacher:

Would it not be better and less trouble to you if we wiped off the question of growing for the National Gallery completely for this year? Truly I am sorry to bother you so much but if a favorable decision comes in in the middle of July we may not be ready. If we could know within a comparatively few days I could get bulbs and probably Bryce could be ready with at least some of the material. Perhaps we could leave the exact sum to be supplied when we see how much we can supply from D.O.

Yours very sincerely.

Mrs. Farrand has asked me to sign this letter so that it could go on the afternoon post.
