

Sunday a.m. Feb 15. 42.

THE VALLEY CLUB OF MONTECITO
SANTA BARBARA

Dearest —

It may save you trouble with
our tiresome hours if you know
that I expect to be within telephone
reach, either here at 92715 till
noon or at the Club 92131
till one - & again here after 5³⁰

The reason for bothering you
is that the Boh. Soc. estimates
are "good" only until the 22nd
Saturday, after which they may
alter, & probably not favorably.

Plans, estimates & all all
here & can be brought to you
anywhere that best suits you.
The, the Forder group, are greatly
pleased with the reductions made
& the completeness of the scheme,
they have done excellent work,
Anne, Miss Piggo & Kenyon, & I
hope you'll think so —

Yours — my very dear —

Trix
