Dearest.

These two letters go to you as confidential documents regarding the Sta. B. Bot. Par-situation. Mr. & I have both read them & he agrees with me in thinking the long - long - Land letter describes a condition that sh'd be known to at least some of the Trustees. The only one Mr. V.R. wd consent to have the letter to read, besides you - Mr. F. & I, was Mr. Thorne - who has seen it. Will you please make time to read the two before we meet, as I hope

we shall, at this week end -
Still uncertain as to definite
coming to D.O. on Thursday,
as I await a report to -
morrow on how M. gets on.

An interview urged by
Anne Fithian, was my un-
pleasant duty - to tell M.
V.R. he might be reduced
- relaxed - the garden
closed - So here -

Your ever devoted
Trix
