Dear Miss Sweeney:

I am sending under separate cover copy of The English Landscape Garden by H. F. Clark which has come here instead of coming direct to you. I have added this to my copy of your list.

Mrs. Farrand asks me to remind you that when you come here in July she hopes you will bring everything connected with your book department. All lists, desiderata, etc. etc. in short, so that anything you want to know about your books will be here with you.

Looking forward to seeing you.

Yours ever sincerely,

Isabelle S.

Another book order is going out soon and a copy will be sent you.
