

BEATRIX FARRAND
LANDSCAPE GARDENER
REEF POINT
BAR HARBOR, MAINE

March 10, 1948

Dear Miss Sweeney:

Your letter of the 1st has not been answered as I have been checking up on recent books received here: addressed Miss Anne Sweeney, Landscape Gardener, Bar Harbor, Maine! They are from Blackwell's and are "The Plant Lore and Gardencraft of Shakespeare" by Ellacombe, and "Shakespeare's Wild Flowers--Et" by Rohde. The bill from Blackwell lists these two and also a book by Jekyll, which I presume is the "Roses for English Gardens" which you mention in your letter. I guess even in England they make mistakes! But so long as you receive the books eventually all is well. I'm sending them today

Also I'm sending today two volumes of "The English Rock Garden" by Reginald Farrer, which Mrs. Farrand asked me to order from Quaritch.

Today is mild here and we are all keeping our fingers crossed hoping spring will remember that she has an annual "date" here.

Best wishes.

Yours sincerely,

Isabelle M. Stores

Did you recently receive 8 volumes of Loudon's Arboretum from Blackwell?
