Dear Miss Sweneney: (excuse my typewriter's spelling of
your name!!!)

I have just discovered that I have not returned to you
the list of XXX and XX books which you sent me for
checking purposes. I'm sorry and here they go! I
also send copies of two more book orders which are
going out. We are trying to work up the orders and I
fear the XXX ones are going to be tough to get - but
will keep on trying.

This typewriter needs a rest as
much as I do I guess - it seems to be skipping and
having a great fuss today. No more time but will
try to get a letter off soon reporting on progress of
book buying.

Yours sincerely,

Sabell Stover
