Dear Mrs. Farrand:

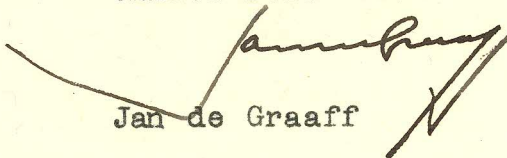

In reply to your letter, dated July 10th, we shall be very glad to fill the order for 10 Maude Adams to be sent to Mrs. Milliken via parcel post, as you direct.

About the National Gallery - we would consider it such an honor to have our bulbs used there that even if they had been promised to others we could always take these quantities out and ship them to the National Gallery.

It may not be entirely ethical to do so but I fully realize it is more important to have our bulbs in a place like the National Gallery where many people will see and enjoy them than to have them go in the regular trade channels.

Yours very truly,

OREGON BULB FARMS
