Reef Point  
Bar Harbor, Maine

Dear Mrs. Farrand

Thank you for your letter of  
June 4th, which has just reached me.

I have communicated once more  
with the photographers, Stewart Brothers, and  
they promise to send you the negatives of the  
garden photographs within a few days. It seems  
that they have recently moved their office  
and are in a state of confusion.

Everything seems to be going  
along smoothly at the moment and I look forward  
to receiving your letter telling of Dumbarton  
Oaks suggestions as a result of Mr. Patterson's  
"findings" on his recent visit to Dumbarton Oaks.  
I can imagine how busy you both must be.

Yours sincerely,
