Mrs. Beatrix Farrand  
Reef Point  
Bar Harbor, Maine

My dear Mrs. Farrand:

Mr. Sachs is out of town,  
so I am taking the liberty of thanking  
you for your kind lines of the 25th inst.  
On his return to Cambridge in the fall,  
I shall call your letter to his attention.  
After he has had an opportunity to con-  
sult with Professor Pond, the head of  
the School of Landscape Architecture, he  
will, I am sure, confirm the subject for  
your lecture for the coming year.

Very truly yours,

Secretary
