Dear Mrs. Bliss,

RE CHESTNUT OAK---

You gave me a book which was a duplicate from the Dumbarton
Oaks Garden Library titled---

KNOWING YOUR TREES--- by G.H. Collingwood
Published by The American Forestry Association 1937
Seventh Printing July 1944

Pages 154 and 155 describe the Chestnut Oak---*Quercus montana---*
Willdenow.

There happened to be a pressed leaf between the pages---which I
am enclosing.

(Also---the author happens to be the forester from the Library of
Congress who directed us to that good heart cypress for the arbor---
and to Mr. Lank. He told me he takes a walk around Dumbarton Oaks
not every week ---but almost.)

Sincerely yours,
