Memo to Mr. Patterson concerning Mr. Bryce's letter of June 23rd concerning bulb orders.

B.F. has changed the tulip order for the Fountain Terrace by cancelling the 140 tulips from Wayside; and by reducing the Kennedy order to 500 of 13 sorts (40 of 11 and 30 of 2) as seen by the enclosed copy.

The Oregon Bulb order has been changed so that 1000 Pheasant's Eye Narcissus are asked for for Crab Hill; and 1000 Recurvus (or equal) for the north side brick walk, etc.

Mrs. Farrand suggests that the 1000 Emperors may be used on the south side of lawn, as this was suggested by Mrs. Bliss.
