

Sean was already on his way home alone before I reached the Chora. ~~but~~ he was examined at ~~the~~ hospital the Italian Hospital and found to have no serious injuries.

28 Sept. First thing this morning Dr. Whittenore + I called on Sean who will rest for a few days. Preparation for photography at Chora tomorrow. The rendering in vault of Bay N°3 all removed also for Suffit to Bay 2.

29 Sept. Moving pictures in colour taken at Chora.

All staff present except Hoyle. Owing to minor break downs in the lighting system the electrician was called in and remained throughout the day.

These were the first colour films

to be taken this year.
